Voted unanimously to accept Oct. minutes with edits.

Discussed C-1-1 boundary repair. Bob L will set up a meet with Barbara Currier.

Discussed Mitchell Hill Road Gate construction. Bob L will call Bob Bergeron to meet at site.

Discussed proposed PB wind ordinance. Rob expressed concerns for migratory bird/raptor routes, which seems to be covered. Everyone agreed the rules were well conceived and very thorough. We approve!

Cathy and George Schwenk attended to discuss Quarry appraisal. We need to provide appraiser an easement deed and property transfer deed. We don't have these yet. Liz will ask Charlie if they are available. We discussed the appraiser list. Everyone seemed to agree the Craft Appraisal Associates out of Bedford was preferred. Joseph Fremeau Appraisals, Marcia Beecy Appraisal Services, and Peter Nault will also be contacted for bids. We will vote to accept bids at our December meeting.

Discussed the flower survey. Liz said it was due on Nov. 30th. Cathy will follow up after that date.

Discussed getting Eric Anderson to put crushed stone at each end of the trestle for much needed transition ramp. Liz will email him to arrange the job and inquire about moving the Milford town line boulders at Mitchell Brook Cons. land.

Meeting with Craig Birch and Craig Fifield set for Dec. 7th at 10 am to inspect logging plan.
