

Approved

December 18, 2001      Mason Planning Board

In attendance:          Mark McDonald, Wolf Millbrandt, Dotsie Millbrandt (chair)

Absent:                  Chris Guiry (alt), Bruce Mann, Pam Lassen (alt), Bill Downs

Call to order:          7:45 pm

New Business:

01-08                    Victor Tweedy Auto Storage site plan review.  
Hearing directly follows ZBA variance hearing on same proposal.  
Site plan hearing continued from November 19, 2001.

Present:                Mr. Tweedy

Abutters present:      John Burroughs, Anne Burroughs, Elaine Ledger

This hearing directly follows a ZBA hearing on the request by Mr. Victor Tweedy for a variance on a lot that has received special exception for use as an automobile storage lot.

Land survey is not yet available. Proposed site plan overlay requires the land survey. According to the surveyor's office, the field work is complete. It should be ready for next month.

As there is nothing further to discuss until the survey is available, the hearing will be continued. Dotsie makes a motion to continue the hearing to Wednesday, January 30, at 7:45 pm, at the normal monthly planning board meeting. Unanimously approved.

Hearing is continued until January 30, 2002.

Adjourn:                Mark McDonald makes motion to adjourn at 7:50 pm.
