### Notes

- Send a letter to the Selectmen regarding the Ruggiero Driving Range Site Plan review from 1993. It stipulated food sales via vending machines only, along with other items that the site no longer conforms with. The board would like know what approval the Board of Selectmen have granted in the meantime. Also, are there any more recent Site Plan reviews of this property from the 1990s that the current board isn't aware of?

- Update the Planning Ordinance to include and/or reference the September 25, 2009 revision of the Floodplain maps.
