

Description:	Fahrenheit-based heating degree days for a base temperature of 45, 50, 55, 60, 65, 70°F (as of 2018_03_30)																
Source:	www.degreedays.net (using temperature data from www.wunderground.com)																
Accuracy:	Estimates made to account for missing data: the "% Estimated" col shows how much each figure was affected (0% is best, 100% is worst)																
Station:	JAFFREY MUNI-SILVER RANCH, NH, US (72.00W,42.81N)																
Station ID:	KAFN
