### New Business

Updates:

- Update application fees schedule – postage \$6.50 instead of \$5. Newspaper fee higher?
- Update Zoning Ordinance to better define non-conforming uses vs. structures. Article VI. Definitions Article XXIV, #18, 19, 24.
- Work on wind tower ordinance. There may be a doc, but how ready is it?
- LCHIP – list fee and who the check gets written to. Add this in with the application fee.
- The non-conforming use study and update will probably use up the bulk of the 40 hours balance we have with NRPC.
- C.I.P. – Info has been requested from departments.
