- Programming:
  - \*Inquire with Judy re: the reading with a dog program, possibly use stuffed animals?
  
- Other business:
  - \*Agatha has decided she would not be able to do the once a week previously agreed upon, she will just be an occasional substitute.
  - \*Denise to post for the aide position- for 5-10 hours per week to help fill in. She will interview and update if a candidate is a good fit.
  - \*John will be available one day per week for story time.
  - \*Lynn brought up the possibility of an adult crafting night, she has a contact who repurposes items and could possibly lead a small craft. Also, possible "game night" idea- Elena to talk to Cheryl Lalancette to see if she is interested in organizing that at some point in the future.
